Fleur de Bois

Una collezione ispirata ad un mix essenze di noce americano e di noce nazionale sapientemente miscelate tra loro, alla ricerca dell'equilibrio per coglierne le migliori espressioni estetiche; quelle date dalle tipiche venature longitudinali con andamento regolare ed elegante.

A collection inspired by a mix of woods types – hickory and Italian walnut – skilfully blended in order to achieve a balance and highlight their best aesthetic expressions; those produced by typical longitudinal grains with a regular and elegant pattern.

Eine Kollektion, die sich an einem gelungenen Mix aus amerikanischem und europäischem Walnussbaum inspiriert, wobei die schönsten Ausdrucksformen zu einem ausgewogenen Ganzen komponiert wurden.

Cette collection s'inspire d'un mélange d'essences de noyer d'Amérique et de noyer d'Italie, savamment associées l'une à l'autre en un équilibre qui exalte leurs plus belles expressions esthétiques.

Cottage

Sensazioni materiche, venature disegnate dal tempo e tonalità naturali: Cottage riveste gli spazi del vivere contemporaneo con l'essenza dei legnami più pregiati.

Tactile sensations, veins designed by time and natural colour shades: Cottage covers contemporary living spaces with the essence of the most precious woods.

Materische Empfindungen, von der Zeit gezeichnete Äderungen und natürliche Farbtöne: Cottage kleidet unsere modernen Lebensräume mit der Seele der edelsten Hölzer.

Des sensations de matière forte, des veinages tracés par le temps et des teintes naturelles; Cottage habille les espaces de vie contemporains avec l'essence des bois les plus précieux

Soul

L'essenza regina di tutti i legni è il rovere di quercia, capace di esprimersi in una moltitudine di possibilità. La ricerca Piemme ne ha indagato l'anima nel profondo, liberandola in tre principali declinazioni: naturale, rustico, recuperato.

The queen of wood is oak and it can express itself in a multitude of ways. Piemme research delved into its soul and declined its multifaceted nature in three ways: natural, rustic and reclaimed.

Die edelste aller Holzarten ist das Eichenholz, das seine Ausstrahlungskraft auf vielfältige Art zum Ausdruck bringen kann. Die Piemme Forschung hat sich eingehend mit dem Wesen dieses Holzes befasst und dieses in drei Hauptvarianten optisch umgesetzt: natürlich, rustikal, und gealtert.

Le roi de tous les bois est le chêne rouvre, en mesure d'adopter une multitude d'expressions différentes. La recherche Piemme a fouillé au plus profond de son âme pour en tirer trois principales formes: naturelle, rustique, de récupération.
